

COVID-19 UPDATE

We hope that you, your families and colleagues are all keeping well.

Following the government's recent announcement of the extended lockdown period for a further three weeks, we wanted to let you know that your building is being cleaned and regularly maintained as best as possible by our contractors.

Your building's internal common areas cannot be closed off, but you can help minimise the pedestrian flow as best you can.

We are all still working remotely to ensure the continued safe running of your building, but if you do have any issues please do not hesitate to contact a member of our team.

For now keep safe, be well and help support and protect the NHS.
