Description

This site offers a first-class open storage (B8) compound, covering a total area of 2.36 acres. It is self-contained and secure, featuring perimeter palisade fencing throughout and three dedicated entrances accessible via a private service road off Dallow Road. The surface is recently tarmacked. Additionally, capped-off electric and water connections will be brought into the site and connected to mains drains.

The site has been split into 3 self-contained compounds, compounds 1 & 2 are now under offer and compound 3 is available.

Location

The site is situated within an established industrial estate on the northeast side of Dallow Road in Luton. It is conveniently located just 1.6 miles west of Luton Town Centre and 1.2 miles from Junction 11 of the M1 motorway. This industrial estate is home to several notable occupiers, including Aldi, Tradepoint, and B&Q. The site offers direct access from Dallow Road and is well-connected to major transport links: Central London is 29 miles to the north, Luton Airport is 3 miles away, and Luton Railway Station is just 2.5 miles from the site. Other nearby occupiers include Lidl, Dreams, DFS, and SCS.

Specification

The site has recently been renovated with a newly tarmacked surface. Water and electric utilities have been capped off and will be brought into the site at two locations.

Planning

Planning permission for B8 open storage was granted on November 23, 2023. A copy of the planning consent is available for download here. Additionally, a copy of the Decision Notice and associated plans can be provided upon request.
