## Planning

The site has established B8 use having being used as contractors yard for the storage of plant / building materials for in excess of 10 years. The vendor / landlord is happy to obtain a Certificate of Lawfulness reconfirming this use as part of any transaction if required.

The site has been subject to a number of residential applications over the years. Most recently a planning application was submitted to provide 14 dwellings comprising 10x2 bed flats and 4x5 bed houses sighted on the wider south-eastern, roundabout end of the site. This was rejected. Planning permission was granted for three dwellings on the land under separate applications in 2006, following an earlier consent for 2 dwellings granted in 2002. Lawful development certificates were granted in 2012 confirming that the three dwellings had been lawfully commenced.
