Description

One of the largest warehouses available inside the M25, with unrivalled access to Central London. The property totals 288,629sqft of useable internal space across all floors and ancillary space with a 36,500sqft car park and additional on-road parking available.

The ancillary buildings include a separate vehicle maintenance workshop, a gatehouse and a vehicle wash.

Location

With over 2,000 companies calling it home, Park Royal is Europe's largest industrial estate and is the landmark industrial area in inner London. The estate is strategically located to the north west of Central London and spans three London Boroughs – Ealing, Brent and Hammersmith & Fulham. The estate lies 6.3 miles (10.1 km) to the west of Central London and 11.3 miles (18.1km) to the north east of Heathrow Airport. Park Royal benefits from excellent road communication being prominently situated on two of London's major arterial roads – the A406 North Circular Road and the A40 Western Avenue, both of which are within 1 mile of the subject property.

The A406 provides direct access to the M4, 3.5 miles (5.6 km) to the south and the M1, 5.6 miles (9 km) to the north and the A40 links the M40 approximately 10 miles (16.1 km) to the west.
